Testimony to **Portland City Council** on the **Shelter to Housing Continuum Project, Recommended Draft**

Although I feel as though there needs to be a change in the homelessness situation in Portland, taking away the parking for Delta Park athletes and spectators is unheard of. This area is going downhill fast and will hurt the future of delta park. I have been playing at this location for over a decade and I am sorry to say it but a lot of people are fed up with what is going on. You would be jeopardizing the safety of every single visitor and jeopardizing this athletic complex for years to come if this decision is made. No to taking away Delta Park from athletes and spectators of all ages. No to taking away our safety and peace of mind. Figure something else out.
