Testimony to **Portland City Council** on the **Shelter to Housing Continuum Project, Recommended Draft**

I have testified before, praising the city council for its work on the Shelter to Housing Continuum Project. But I am still concerned about parks. Please amend language in 33.296.030 G to remove the Open Space Zone from consideration as either temporary or permanent homeless shelters EXCEPT for a declaration of emergency by the City Council due to a catastrophic natural disaster such as an earthquake. Thank you.
