Testimony to **Portland City Council** on the **Shelter to Housing Continuum Project, Recommended Draft**

I have grown up here in Portland and lived here my whole life. And enjoy what the area has to offer for entertainment and recreation. Witch includes PIR and Heron Lakes golf courses. I have seen a lot of areas of recreation being eaten up by Housing projects and commercial projects. That doesn't add any value region. I do not support changing the PIR to another project that takes away from Entertainment and recreation.
