Testimony to **Portland City Council** on the **Shelter to Housing Continuum Project, Recommended Draft**

Dear Mayor Wheeler and City Commissioners, I fully support efforts to find effective methods to assist the homeless community and improve the livability of our city for all Portlanders. But I want to share my strong concerns that Portland International Raceway and other city parks NOT be included, in any way, in the zoning changing currently under consideration. Please find a path forward to improving the situation WITHOUT putting our racetrack and city parks at risk.
