Testimony to **Portland City Council** on the **Shelter to Housing Continuum Project, Recommended Draft**

Please do not allow houseless/homeless camping in City Parks! Before you vote on anything, just drive up I-5 to Victory Blvd & note the garbage scattered all along the way. When you get to Victory Blvd, exit toward PIR & look on both sides of the street. Nothing but tents & LOTS & LOTS of GARBAGE! It's an eyesore for sure but, more importantly, it's an extreme health hazard to humans and to wildlife! Please, please, please do not pass this ordinance.
