Testimony to **Portland City Council** on the **Shelter to Housing Continuum Project, Recommended Draft**

Dear Mayor Wheeler and City Commissioners, I fully support efforts to find effective methods to assist the homeless community and improve the livability of our city for all Portlanders. However, I want to share my strong concerns that city parks, including Portland International Raceway, NOT be included, in any way, in the zoning changing currently under consideration. Please find a path forward to improving the situation WITHOUT putting the safety of our families, our city parks and our racetrack at risk. Sincerely, Kevin Dehmer
