Testimony to **Portland City Council** on the **Shelter to Housing Continuum Project, Recommended Draft**

Hello Commissioners, My name is Mason Drummond and I'm a high school junior in Portland, OR. I urge you to pass the Shelter to Housing Continuum with the proposed amendments by Portland: Neighbors Welcome. The bottom line is that we should supporting Portland's houseless community members and dismantling barriers to allow them to live safely and find affordable housing options. Please support the amendments to allow faith and community based institutions to help, and support those living in THOWs and RVs. Support the P:NW amendments. Thank you, Mason Drummond
