Testimony to **Portland City Council** on the **Shelter to Housing Continuum Project, Recommended Draft**

Mayor Wheeler and Commissioners - I am resubmitting the testimony that was submitted for the March S2HC council hearing and would like to encourage you to consider the proposed amendments and the impact of the 25' setback on properties and the impact of requiring utility hook-ups rather than allowing for an "off grid" option. Thank you for your consideration. Sincerely,  
Paul Niedergang
