

## ORDINANCE No. 151827

An Ordinance creating one position of Building Maintenance Mechanic and abolishing one position of Utility Worker in the Bureau of Facilities Management, and declaring an emergency.

The City of Portland ordains:

Section 1. The Council finds:

1. Because of changing activities in the Bureau of Facilities Management, the duties and responsibilities of an existing Utility Worker position have increased substantially.
2. As a result of this change, a Civil Service audit of the position has been conducted.
3. The Bureau of Personnel Services, after reviewing this position, recommends the reclassification of the position from Utility Worker to Building Maintenance Mechanic.
4. The reclassification is appropriate and should be approved.
5. No additional appropriations are required in the FY 1980-81 or 1981-82 Bureau of Facilities Management budget to fund the reclassification.

NOW, THEREFORE, the Council directs:

- a. One position of Utility Worker (1218) in the Bureau of Facilities Management is hereby abolished.
- b. One position of Building Maintenance Mechanic (1115) is hereby created in the Bureau of Facilities Management.

Section 2. The Council declares that an emergency exists in order to achieve the appropriate classification and pay scale; therefore, this Ordinance shall be in force and effect from and after its passage by the Council.
