- e) Supporting documentation showing proof of payment (attached to respective Reimbursement Request Forms). This may include:

copies of checks copies of bills payroll register etc.

5. Supporting documentation is to be attached to each request form, including the Required Match (copies of documentation are not necessary for the Total City Reimbursement).

For each request form, documentation is to be grouped by line item. (Attach adding machine tape to each group of supporting documents.)

Please Note: For purposes of fiscal reporting, <u>Match</u> included in the contract requires the same documentation as City Support requested.

- 6. If a piece of documentation is applicable to more than one funding source (or match), write on the supporting documentation how much is to be applied to each funding source/service category.
- 7. The "indirect cost" line item may be used to cover any costs incurred in support of the services included in the contract. Documentation/proof of payment must be submitted for each reimbursement requested.
- 8. Grant or Agency policy requires that expenditures be reported in dollars and cents. DO NOT ROUND TO THE NEAREST DOLLAR!
- 9. Reimbursement requests must be typed or written in ink.
- 10. Reimbursement Request Forms must be signed in ink by an authorized person designated by the Agency. Each agency must submit to the City the names of all persons authorized to sign these reports. The Agency is responsible for notifying the City in writing of any changes in authorized signatures.
- 11. The reimbursement request must be made against the current authorized contract. Each agency is responsible for notifying appropriate personnel of budget changes.
- 12. Incomplete or incorrect Reimbursement Request Forms will be returned to the Contractor for completion or correction.
- 13. Match expenditures will be analyzed quarterly as part of the monitoring procedures. Corrective action plans will be developed if necessary to assure contract compliance.

Corrective action may include: withholding of funds, suspension, or termination of the contract.

If match is not produced in accordance with the approved contract by the third (3rd) quarter of the budget year, the City will reduce its contribution to maintain the established ratio of shared costs. (For AAA District Centers, this ratio is a minimum of 90/10 City/Agency share for Discretionary Services. For other contracts, the level of required match has been negotiated.)

- 14. Upon receipt of completed reimbursement forms, the Accounting Unit staff reviews the request for accuracy and compliance with the approved budget, prepares payment authorization, and submits the reimbursement package to the Program staff.
- 15. Program Staff reviews the package and signs off, if request complies with regard to appropriate service delivery. Reimbursement request will be held until Program reports are received.
- 16. Principal Accountant reviews the package, approves payment, and forwards the package to Accounts Payable at City Hall.

- 17. Accounts Payable reviews the package, approves payment, and processes the package for the computer to fill out the warrant (check). Computer runs are made every Tuesday and Thursday evenings.
- 18. Checks are returned to Accounts Payable for verification of computer run.
- 19. The computer run is forwarded to the Auditor's Office for auditing and release (mailing) of the warrant.
- 20. Total estimated turnaround time is two weeks from the time a completed package leaves the Human Reources Bureau. HRB staff can usually complete its work within two days, if the requests are complete and correct, and program reports have been received.
- 21. In the event of an emergency or other unusual circumstances, as approved by the Principal Accountant, a manual warrant may be issued within 72 hours. A manual warrant process will not be utilized on a regular basis.

We hope that these procedures will clarify what is expected of Agency staff in the filling out and processing of these documents. If you have any questions or need further information, please feel free to call the Accounting Unit or Social Services Contract Management staff at 248-4752.

Ordinance/change order
Initial by both parties

## PROCEDURE:

# A. Initiated by City:

 The City shall inform the Contractor in writing what and why changes are required, what information (if any) is needed from the Contractor to make such changes and what modification procedures will be utilized.

- 2. City staff shall be responsible for obtaining necessary materials from the Contractor or shall prepare revised materials (to include revised contract or project applications pages) and amendment form, as necessary.
- 3. Contractor shall review material and indicate approval formally or informally.
- 4. If an Ordinance is required:

-City staff shall prepare and file Ordinance

- -City shall notify Contractor of action on Ordinance
- -If authorized by City Council, Contractor shall sign three (3) copies of amendment (if not already signed) and return to designated City office
- -City staff shall obtain necessary City signatures
- -Amendment goes into effect when both parties have signed and the changes are documented in the City Auditor's Office
- -Fully signed copy shall be returned to the Contractor
- 5. If change order procedure is utilized:

-City staff shall prepare change order

- -Program Staff, Accountant, Division Manager, HRB Executive Director, and Commissioner-in-Charge shall review and indicate approval
- -Contractor shall sign Amendment and return to City
- -Amendment goes into effect when City and Contractor signatures are obtained

#### B. Initiated by Contractor:

- 1. Contractor shall submit a letter to the Unit Director requesting modification. This letter should contain the following information:
  - a. Specific changes desired (e.g. increase printing by \$500, decrease local travel by \$200 and decrease office supplies by \$300).
  - b. Reason or need for changes (e.g. the newsletter mailing list has doubled so more copies are printed; counselors are carpooling in an effort to save gasoline).
  - c. Statement regarding how these changes will affect the provision of services (e.g. line item changes are more consistent with actual spending patterns and services will continue to be delivered as specified in the contract).

35-800

2. The Contractor shall prepare revised project application pages as follows:

#### a. BUDGET CHANGES

76

#### (1) Budget Worksheet

The <u>budget worksheet</u> must include the following columns for each funding source to be modified:

current
+ or revised

If the contract includes a funding source which is not to be modified, a column must be included for this current breakdown.

If the contract includes more than one funding source, the budget worksheet must also include columns for the following:

current total
total + or - (omit if only 1 funding
revised total source changes)

The <u>budget worksheet</u> must include the name of the contract agency and the contract number in the upper left hand corner.

The <u>budget worksheet</u> must include the date of the revision in the lower right hand corner (this date should correspond with the date of the letter requesting the modification).

(SEE SAMPLE)

# (2) Budget Justification Sheets

A full set of original budget justification sheets must be submitted, showing the total justification as revised. It is not necessary to show + or - on the justification sheets.

The budget justification forms should be consistent with the budget worksheet columns for the revised funding for each source and for the revised total.

Even if a budget justification sheet does not change, a new original must be prepared (e.g. pink sheet, typed original) to meet the contract requirements of the City Auditor's office.

Each budget justification sheet must be completed in full:

DATE - date of revision request (put this new date even if no changes were made on a particular page.

PROJECT NUMBER - contract number assigned by the City.

PROJECT TITLE - name of agency and service (if there are multiple contracts with the Human Resources Bureau e.g. PACT Senior Service Center).

(3) Miscellaneous Comments on Budget Changes

All changes shown on the budget worksheet or the budget justification pages should be addressed in the letter requesting the modification.

A modification is <u>not</u> required for any line item changes in materials and services in which that line will not be over-expended by 5% of the line item or \$1,000, whichever is less. Formal modification is not required for lines which will be underexpended.

e.g., if line 420 in the contract is \$1,000 and if there is an expected overspending of \$48, a contract modification is not required because \$48 is less than 5% of \$1,000.

If this \$48 will come from line 310 office supplies, no change is required because you will simply underspend line 310 by \$48.

Any changes in staff positions (increase in salary, change in % of time or number of months on project) requires a modification. A modification is not necessary if an individual is being paid at a lower rate of pay for a given position.

If an authorized position is to be filled by a different person, please notify the City accountant to assist in speedy processing of your invoices. A contract modification is not required.

#### b. SERVICE CHANGES

(1) OBJECTIVES - (Project Narratives, Section 3)
A revised objective section should be submitted showing the revised number or type of services to be provided or the revised period in which services will be provided.

(The need for these changes and the impact should be discussed in the letter requesting the modification).

(2) ACTIVITIES - (Project Narrative, Section 4)

Revised activities pages must be submitted only if changes are made. These activity pages will be used as a basis for monitoring the provision of services, so they should reflect current practices and procedures.

c. OTHER PROGRAM OR MANAGEMENT CHANGES

Other program or management changes will be handled on a case by case basis. Consult the City Staff responsible for contract development for specific requirements.

- 3. Contractor shall submit letter and revised pages as described above to Human Resources Bureau Unit Director.
- 4. Social Service Unit staff shall review the request for completeness and impact and shall make a determination about which modification procedure shall be utilized.
  - a. If Unit Staff supports the requested change and if an Ordinance is required, City Staff shall prepare the contract amendment prepare the ordinance and complete the regular Human Resources Bureau ordinance review process. If authorized by City Council, the Contractor shall sign 3 official copies and return to the City for City signatures and processing. A signed copy will be returned to the Contractor.
  - **b.** If unit staff supports the request and if a change order is to be used, City staff shall prepare the change order.

If approved, the original change order shall be filed in the City Auditor's Office. Copies shall be provided to the Contractor, the Fiscal Unit and the responsible Program Unit.

#### HISPANIC ELDERLY NUTRITION PROGRAM

SUMMARY OF PROJECT

#### I. Statement of Problem

Poor nutrition habits among the elderly in conjunction with other physical, social, and economic changes associated with increasing age may result in a pattern of living which contributes to malnutrition and loss of normal independent functioning. Many elderly persons, particularly minority individuals, do not eat adequately because: (1) they cannot afford to do so; (2) they lack the knowledge and/or skill to select and prepare nourishing and well-balanced meals; (3) they have limited mobility which may impair their capacity to shop and cook for themselves; or (4) they have feelings of rejection and loneliness which obliterates the incentive necessary to prepare and eat a meal alone. It is estimated that around 40-45% of older people suffer from poor nutrition.

In addition to poor nutrition, the elderly may also lack transportation to get them to and from health, nutrition, and other community services. It is estimated that 30% of all elderly have mobility limitations and are unable to use the normal transportation system. Elderly persons who become isolated from community services because of lack of transportation or lack of accompaniment may suffer from neglect or may be institutionalized at a greater personal and economic cost.

According to national priorities, preference for AAA service is given to older persons with greatest economic or social need. A recent analysis showed that around 32% of Oreogn's Hispanic elderly (age 65+) lived in Multnomah County. This group is relatively poor; around 32.7% of Hispanic seniors age 65+ are in poverty. Since many Hispanic elders have different dietary preferences, meals served through the area-wide nutrition programs do not address their particular needs. A survey of County Hispanic seniors revealed 80% wanted a hot meal program and 67% were interested in group meals, where food to which they are accustomed would be served.

Finally, due to language and cultural barriers, Hispanic elderly tend to be more isolated from the social service system than are Anglo Americans. In a study conducted by Portland State University, AAA and COSSPO in 1978, it was found that over one-half of the respondents were not even aware of services which are offered to the county's elderly. As a result of the lack of knowledge and awareness concerning existing services, Hispanic elderly tend not to utilize services that are available to them.

SUMMARY OF PROJECT Page Two

#### II. Project Goals

- A. To reduce social isolation and poor nutrition habits among the Hispanic elderly;
- B. To increase the ability of Hispanic elderly to gain access to community services and activities.

The above stated goals relate to the overall goals of AAA inasmuch as AAA has concentrated much of its efforts on trying to reach the minority community, and to improving the service delivery system by locating and serving more isolated, at-risk older people in greatest social or economic need.

#### III. Strategies for Delivering Services

In order to meet the goals stated above, COSSPO will do the following:

- A. Provide 5200 nutritious meals to 75 different individuals in a congregate setting;
- B. Provide necessary asisstance to Hispanic elderly such as transportation, escort, and outreach, to help them in obtaining appropriate health and human services.

# 2. Service Area, Target Population, and Eligibility Criteria for Service

Describe the service area to be covered by this project and the target population for each service to be provided. Explain how each target population will be identified. State the eligibility criteria to be utilized for each service provided and the method for appeal or exception.

#### Service Area:

This project will encompass all of Multnomah County as a service area. Primary emphasis will be in the urbanized areas within the City of Portland.

#### Target Population:

The target population within the 60 and over group is those most in social and economic need. As defined in the AAA Area Plan, this is "those elderly individuals who are functionally impaired or resource limited to the extent that services are necessary to maintain independent living". Preference for nutrition services within the service area will be given to those people meeting the criteria and whose income falls below the Bureau of Census poverty level. This preference policy does not allow any other qualified person to be denied services based only on income.

## Eligibility Criteria:

Persons 60 years of age and over and their spouses of any age are eligible to use the nutrition services. Recipients of home delivered meals have to be unable to leave the home and be unable to provide for themselves in regards to their meals. If in the interest of the older person, the spouse of any age is eligible to receive a meal. People referred by Adult and Family Services are eligible to receive a home delivered meal when they are unable to prepare their own and the service provider is reimbursed the full cost of the meal.

4. <u>Center Organization</u> (Briefly describe the staffing pattern, operating hours, and official holidays. Pescribe safety and accountability procedures regarding center coverage and emergencies.)

Staffing for the Hispanic Elderly Nutrition Program will include a full-time Program Coordinator and a part-time Outreach Worker, Cook, Assistant Cook, and Van Driver. The Nutrition Center is open from 8:00 a.m. to 5:00 p.m. week days except for holidays which include New Year's Day, President's Day, Memorial Day, 4th of July, Labor Day, Veteran's Day, Thanksgiving Day, Christmas Day, and Columbus Day. Lunch is normally served between 12:30-2:00.

The Center has been inspected for both health and fire safety and all codes have been met. The Center is also covered by liability insurance in the event of an accident. The Program Coordinator will be responsible for developing safety procedures for the Center within the first two months of operation.

5. Contracting Agency Involvement (Describe support services to be provided for this project. Discuss the role of the contracting agency in the areas of fund-raising, advocacy, and provision of support services to the Center program.)

COSSPO will provide assistance to the Nutrition Center in the areas of advocating on behalf of Hispanic elderly and their needs, developing fund-raising strategies to supplement City monies, providing staff training to Center personnel as part of COSSPO's training to its employees, providing volunteer support for the program from COSSPO's extensive volunteer network, providing furniture for the Center such as desks, chairs, tables, etc., conducting periodic evaluations, and providing overall supervision and management to ensure that the program is being run effectively.

In addition to the areas of support listed above, COSSPO will also place two youth workers at the site this summer to help in organizing Center activities.

6. Community Participation (Describe the citizen involvement in planning this project and the ways the community will be involved in the project's operation. Describe staff, Advisory Council, and Corporate Board relationships.)

The COSSPO Aging Advisory Committee, made up of a elderly individuals, has been instrumental in planning nutrition center activiites since the inception of the program one year ago. The Committee has closely monitored the progress of the program and has made recommendations to the administration for improving program operations. The Committee recognizes the need for expanding the activities and services of the center beyond what is specified in the contract, and, as a result, many additional programs have been initiated to involve the Hispanic elderly. These additional programs and activities include a raffle to raise money, arts and crafts which are now being sold both inside and outside of the Center, dominoes for the men, and back yard garden where elderly individuals are growing vegetables and flowers, and finally, participation in actually helping to run the Center. The Program Coordinator serves as staff to the Advisory Committee, however all program staff are encouraged to participate.

Community members are encouraged to volunteer their time to help in operation the Nutrition Center. There are currently two volunteers who work daily in carrying out caster responsibilities.

Information about the Center's activities and progress are reported by the agency's Executive Director to the Board of Directors on a monthly basis. The Nutrition Program Coordinator is responsible for submitting a monthly internal progress report to the Community Services Director who, in turn, analyzes the report and reports on findings to the Executive Director.

7. Coordination (Describe the coordination of this project with other community organizations and statutory agencies in the service area. Briefly discuss program and service exchanges that may occur. Identify staff positions responsible for these activities.)

One of the greatest needs of the Hispanic elderly is for information concerning the services and benefits that are available to them in the Portland area.

COSSPO will help Hispanic elderly to identify the services and benefits that are available to them, and will establish linkages with other agencies to assure that the agency is aware of the needs of Hispanic elderly, and is capable of dealing with them.

COSSPO will also accept and encourage referrals from other agenices for the services that COSSPO provides. In addition to nutrition services and athe related supportive services such as escort and transportation, COSSPO has a senior Bilingual Job Developer to help elderly in finding work that meets their special needs.

# Assurance of Compliance with "Nondiscrimination on Basis of Handicap" Section 504 of the Rehabilitation Act of 1973

COSSPO (hereinafter called the "Contractor"), HEREBY

AGREES THAT it will comply with "Nondiscrimination on Basis of Handicap" Section 504, of the Rehabilitation Act of 1973, dated June 3, 1977, (hereinafter referred to as Section 504) and procedures established by City of Portland, Human Resources Bureau, Aging Services Division (hereinafter referred to as the Area Agency on Aging - AAA). The regulation defines and forbids acts of discrimination against qualified handicapped persons in employment and in the operation of programs/activities receiving assistance from the Department of Health Education and Welfare. The Contractor hereby gives assurance that it will immediately take measures necessary to effectuate this agreement.

As an employer, the Contractor agrees to make reasonable accommodation to the handicaps of applicants and employees unless the accommodation would cause the employer undue hardship, as defined in Section 504. This extends to all phases of employment including recruitment, selection and placement, compensation, promotion and transfer, disciplinary measures, demotions, layoffs and terminations, testing and training, daily working conditions, awards and benefits, and all other terms and conditions of employment.

The Contractor shall submit to the AAA, for analysis and recommendations, copies of their affirmative action plan and personnel policies which include provisions that assure the following:

- No qualified handicapped person shall, on the basis of handicap, be subjected to discrimination in employment by the Contractor.
- 2. The Contractor shall make all decisions concerning employment in a manner which ensures that discrimination on the basis of handicap does not occur and may not limit, segregate, or classify applicants or employees in any way that adversely effects their opportunities or status because of handicap.
- 3. The Contractor shall not participate in a contractual or other relationship that has the effect of subjecting qualified handicapped applicants or employees to discrimination.

- 4. The Contractor shall make reasonable accommodation to the known physical or mental limitations of an otherwise qualified handicapped applicant or employee.
- The Contractor shall not deny any employment opportunity to a qualified handicapped employee or applicant if the basis for the denial is the need to make reasonable accommodation.

As a provider of community services, the Contractor shall take appropriate steps in accordance with the established procedures, to assure that no qualified handicapped person, because of the Contractor's facilities are inaccessible to or unable by handicapped persons, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity. The Contractor's programs and activities, when viewed in its entirety, will be readily accessible to handicapped persons.

The Contractor hereby recognizes and agrees that an Assurance of Compliance with Section 504 is given in consideration of and for the purpose of obtaining any and all AAA contracts or other financial assistance extended after the date hereof to the Contractor by the AAA, including installment payments after such date on account of applications for AAA financial assistance which were approved before such date. The Contractor recognizes and agrees that such AAA financial assistance will be extended in reliance on the representations and agreements made in this Assurance, and that the AAA shall have the right to seek judicial enforcement of this Assurance. This Assurance is binding on the Contractor, its successors, transferees, and assignees, and the person whose signature appears below is authorized to sign this Assurance on behalf of the Contractor.

# ASSURANCE OF COMPLIANCE WITH THE CITY OF PORTLAND AFFIRMATIVE ACTION PLAN

(hereinafter called the "Contractor")

MEREBY AGREES THAT it will comply with the City of Portland Affirmative Action

Plan as stated in City Ordinance 144724, dated November 10, 1977, and the Federal Guidelines contained in Revised Code 4 of the U. S. Department of Labor,

to the end that no person who applies for employment shall, on the ground of

race, color, religion, age, sex, national origin, or handicap, be excluded from

participation in, be denied the benefits of, or be otherwise subjected to dis
crimination under any program or activity for which the Contractor receives

City of Portland financial assistance; and HEREBY GIVES ASSURANCE THAT it will

immediately take any measures necessary to effectuate this agreement.

The "equal employment opportunity doctrine" is more than a directive prohibiting discriminatory practices; rather, it is a doctrine that requires positive measures to assure an equal opportunity for meaningful employment of those persons who have been victims of discrimination. This doctrine extends to all areas of employment and to all relations with employees, including recruitment, selection and placement, compensation, promotion and transfer, disciplinary measures, demotions, layoffs and terminations, testing and training, daily working conditions, awards and benefits, and all other terms and conditions of employment. The Affirmative Action Plan calls for:

- 1. An improvement of employment opportunities for minority group persons and women in all employee classifications.
- 2. An improvement of career opportunities for minority groups and women employ-
- 3. An increased awareness of "institutional" biases through education and training to achieve its eradication.
- 4. An explanation to minority group organizations of the programs, employment and training opportunities, and the qualifications required for positions in the Contractor's organization.
- 5. An active education program which will keep management, supervisors and employees informed of their social and civil rights and responsibilities.

The Contractor hereby recognizes and agrees that an Assurance of Compliance with the City of Portland's Affirmative Action Plan is given in consideration of and for the purpose of obtaining any and all City contracts or other financial assistance extended after the date hereof to the Contractor by the City, including installment payments after such date on account of applications for City financial assistance which were approved before such date. The Contractor recognizes and agrees that such City financial assistance will be extended in reliance on the representations and agreements made in this Assurance, and that the City of Portland shall have the right to seek judicial enforcement of this Assurance. This Assurance is binding on the Contractor, its successors, transferees, and assignees, and the person whose signature appears below is authorized to sign this Assurance on behalf of the Contractor.

- 2. Reports not received by the deadline shall not be processed until the next month. This will result in a delay in payment.
- 3. City forms must be used. If additional forms are needed, please contact the Accounting Unit (248-4752).
- 4. Materials to be submitted each month are as follows:
  - a) A separate Reimbursement Request Form for each funding source and each service category requiring City reimbursement as included in the approved contract budget, e.g. -- I & R -- III-B

Admin. -- OPI
Admin. -- General Fund
Meals -- III-C-1
General Fund
Other

- b) A Reimbursement Request Form for Required Match, as included in the approved budget.
- c) A Reimbursement Form showing Project Income/Contributions collected.
- d) A Reimbursement Form showing total City reimbursement.
- e) Supporting documentation showing proof of payment (attached to respective Reimbursement Request Forms). This may include:

copies of checks copies of bills payroll register etc.

5. Supporting documentation is to be attached to each request form, including the Required Match (copies of documentation are not necessary for the Total City Reimbursement).

For each request form, documentation is to be grouped by line item. (Attach adding machine tape to each group of supporting documents.)

- 6. If a piece of documentation is applicable to more than one funding source (or match), write on the supporting documentation how much is to be applied to each funding source/service category.
- 7. The "indirect cost" line item may be used to cover any costs incurred in support of the services included in the contract. Documentation/proof of payment must be submitted for each reimbursement requested.
- 8. Grant or Agency policy requires that expenditures be reported in dollars and cents. DO NOT ROUND TO THE NEAREST DOLLAR!
- 9. Reimbursement requests must be typed or written in ink.
- 10. Reimbursement Request Forms must be signed in ink by an authorized person designated by the Agency. Each agency must submit to the City the names of all persons authorized to sign these reports. The Agency is responsible for notifying the City in writing of any changes in authorized signatures.
- 11. The reimbursement request must be made against the current authorized contract. Each agency is responsible for notifying appropriate personnel of budget changes.
- 12. Incomplete or incorrect Reimbursement Request Forms will be returned to the Contractor for completion or correction.
- 13. Match expenditures will be analyzed quarterly as part of the monitoring procedures. Corrective action plans will be developed if necessary to assure contract compliance.

Corrective action may include: withholding of funds, suspension, or termination of the contract.

If match is not produced in accordance with the approved contract by the third (3rd) quarter of the budget year, the City will reduce its contribution to maintain the established ratio of shared costs. (For AAA District Centers, this ratio is a minimum of 90/10 City/Agency share for Discretionary Services. For other contracts, the level of required match has been negotiated.)

- 14. Upon receipt of completed reimbursement forms, the Accounting Unit staff reviews the request for accuracy and compliance with the approved budget, prepares payment authorization, and submits the reimbursement package to the Program staff.
- 15. Program Staff reviews the package and signs off, if request complies with regard to appropriate service delivery. Reimbursement request will be held until Program reports are received.
- 16. Principal Accountant reviews the package, approves payment, and forwards the package to Accounts Payable at City Hall.

73

157892

- 17. Accounts Payable reviews the package, approves payment, and processes the package for the computer to fill out the warrant (check). Computer runs are made every Tuesday and Thursday evenings.
- 18. Checks are returned to Accounts Payable for verification of computer run.
- 19. The computer run is forwarded to the Auditor's Office for auditing and release (mailing) of the warrant.
- 20. Total estimated turnaround time is two weeks from the time a completed package leaves the Human Reources Bureau. HRB staff can usually complete its work within two days, if the requests are complete and correct, and program reports have been received.
- 21. In the event of an emergency or other unusual circumstances, as approved by the Principal Accountant, a manual warrant may be issued within 72 hours. A manual warrant process will not be utilized on a regular basis.

We hope that these procedures will clarify what is expected of Agency staff in the filling out and processing of these documents. If you have any questions or need further information, please feel free to call the Accounting Unit or Social Services Contract Management staff at 248-4752.

If the contract includes more than one funding source, the budget worksheet must also include columns for the following:

current total
total + or - (omit if only ! funding
revised total source changes)

The <u>budget worksheet</u> must include the name of the contract agency and the contract number in the upper left hand corner.

The <u>budget worksheet</u> must include the date of the revision in the lower right hand corner (this date should correspond with the date of the letter requesting the modification).

(SEE SAMPLE)

#### (2) Budget Justification Sheets

A full set of original budget justification sheets must be submitted, showing the total justification as revised. It is not necessary to show + or - on the justification sheets.

The budget justification forms should be consistent with the budget worksheet columns for the revised funding for each source and for the revised total.

Even if a budget justification sheet does not change, a new original must be prepared (e.g. pink sheet, typed original) to meet the contract requirements of the City Auditor's office. Each budget justification sheet must be completed in full:

DATE - date of revision request (put this new date even if no changes were made on a particular page.

PROJECT NUMBER - contract number assigned by the City.

PROJECT TITLE - name of agency and service (if there are multiple contracts with the Human Resources Bureau e.g. PACT Senior Service Center).

#### (3) Miscellaneous Comments on Budget Changes

All changes shown on the budget worksheet or the budget justification pages should be addressed in the letter requesting the modification.

A modification is <u>not</u> required for any line item changes in materials and services in which that line will not be over-expended by 5% of the line item or \$1,000, whichever is less. Formal modification is not required for lines which will be underexpended.

e.g., if line 420 in the contract is \$1,000 and if there is an expected overspending of \$48, a contract modification is not required because \$48 is less than 5% of \$1,000.

If this \$48 will come from line 310 office supplies, no change is required because you will simply underspend line 310 by \$48.

Any changes in staff positions (increase in salary, change in % of time or number of months on project) requires a modification. A modification is not necessary if an individual is being paid at a lower <u>rate</u> of pay for a given position.

If an authorized position is to be filled by a different person, please notify the City accountant to assist in speedy processing of your invoices. A contract modification is not required.

(2) ACTIVITIES - (Project Narrative, Section 4)

Revised activities pages must be submitted only if changes are made. These activity pages will be used as a basis for monitoring the provision of services, so they should reflect current practices and procedures.
