Emergency Ordinance

*Accept disbursement from TriMet of State of Oregon Statewide Transportation Improvement Funds for Portland Streetcar and authorize a subrecipient agreement

Passed

The City of Portland ordains:

Section 1. The Council finds:

1. Section 122 of House Bill 2017 Transportation Funding Package, also known as [Keep Oregon Moving](#), established a new dedicated source of funding for improving or expanding public transportation service in Oregon. This new funding source is called the Statewide Transportation Improvement Fund, or STIF.
2. The STIF Formula Fund is intended to improve Public Transportation Services for current and potential future Oregon transit users by distributing moneys to Qualified Entities.
3. The State of Oregon disburses STIF funds to TriMet which includes Portland Streetcar as a subrecipient in accordance with the STIF Plan.
4. TriMet convened a HB 2017 Transit Advisory Committee, with members representing transit users, Honored Citizens, employers, low-income and minority communities as well as service providers, regional governmental jurisdictions and other interested parties.
5. The committee provided input on the development of the Tri-County Public Transportation Improvement Plan (PTIP), which included recommended projects for funding. This plan was later approved by the Oregon Transportation Commission (OTC).
6. The OTC determines and approves funding amounts for each two-year STIF Formula Fund Cycle.
7. On October 2, 2019, Portland City Council through Ordinance #189721 approved the acceptance of the first funding cycle (July 1, 2019 through June 30, 2021) in the amount of \$1,771,000.

NOW, THEREFORE, the Council directs:

- A. The Commissioner-in-Charge is hereby authorized to accept disbursement of State of Oregon, Statewide Transportation
