Presenter name: Regina Ingabire

Purpose of proposed legislation and background information:

- This ordinance authorizes the Director of the Portland Bureau of Emergency Management (PBEM) to execute $300,000 in grant agreements to the 2022 Community Resilience and Capacity Building Grant.

- The goals of this project are to provide community-based organizations with funding to support the development or enhancement of trainings, tools, and/or plans; provide organizational development; and/or develop other resources to enhance their capacity as critical partners before, during, and after disasters.

- Individual grants to community-based organizations will not exceed $50,000. Projects are expected to start in August 2022 and should last up to 18 months.

- A community-based committee will select awarding organizations.

Financial and budgetary impacts:
This legislation has no financial and/or budgetary impacts. Funding for the 2022 Community Resilience and Capacity Building Grant was allocated to PBEM during the 2021 Fall Budget Management Process (BMP) for community support. There are enough funds available to support these grants.

Community impacts and community involvement:
Grantees and the communities they serve will be better prepared for emergencies through the funded projects.

100% Renewable Goal:
This action does not increase or decrease the City's energy usage.
