Purpose of proposed legislation and background information:

- Makes minor technical changes to LID Code 17.08 to improve clarity and understanding that financial feasibility analysis occurs with all LIDs, and property owner notification at final assessment is consistent with existing provisions of the City Charter.

Financial and budgetary impacts:

- None.

Community impacts and community involvements

- None. There was a major Citywide outreach effort culminating in the creation of new LID Code which became effective in January 2003. These Code amendments are minor and do not make any substantive changes to LID procedures, financial feasibility analysis, or to roles and responsibilities. The Code changes have been reviewed and approved by the City Attorney and reflect current best practices in administering LIDs.
