Testimony to **Portland City Council** on the **Environmental Overlay Zone Map Correction Project, Recommended Draft**

Dear Council Members, We have reviewed the recommended Environmental Overlay Zone Map as amended. We support the proposed Overlay Zones for our property as shown to us on this Map App and as delineated in the attached file ("R312579 from Ezones_TableMaps_1095.pdf"). We do not support and would object to the older draft that extended the Overlay Zone closer to our home and out on to 48th Drive as shown in the attached file, "R312579 from Ezones_TableMaps_1096.pdf." These files were provided to us by Mr. Soebbing, City Planner. Cordially, Henry & Yvette Rodriguez

Testimony is presented without formatting.
