

# ORDINANCE No. 153028

An Ordinance authorizing a contract with Bonston Construction Company, Inc. to furnish materials, equipment and labor, and for constructing the Rivergate Interceptor for the Bureau of Sanitary Engineering, authorizing the drawing and delivery of warrants, and declaring an emergency.

The City of Portland ordains:

Section 1. The Council finds:

1. The Bureau of Sanitary Engineering requires the furnishing of materials, equipment and labor, and the construction of the Rivergate interceptor in accordance with the plans and specifications filed with the Purchasing Division.
2. The Rivergate Interceptor will be funded 50%, up to \$1,300,000, by the Economic Development Administration and 50% by the Sewage Disposal Fund.
3. The Economic Development Administration has approved the award to the responsible bidder.

NOW, THEREFORE, the Council finds:

- a. The Commissioner of Public Works and the Auditor hereby are authorized to execute a contract with Bonston Construction Company, Inc., the lowest responsible bidder for the project described in Section 1 hereof in accordance with the plans and specifications filed with the Purchasing Division.
- b. The Mayor and the Auditor hereby are authorized to draw and deliver warrants chargeable to the Sewage Disposal Fund, FY 1981-82 Budget, Bureau of Sanitary Engineering, Design Engineering Division, RU 146, Object Code 630, Improvements, when demand is presented, approved by the proper authorities.

Section 2. The Council declares that an emergency exists because a delay in starting construction could cause the loss of the E.D.A. grant and will unnecessarily deprive the City of the benefits of this project; therefore, this Ordinance shall be in force and effect from and after its passage by the Council.
