Hon. H. R. Albee,
Mayor of Portland,
Portland, Oregon.

Dear Sir:

Referring to our conversation a short time ago relative to the sale of liquors to the students at the Hill Military Academy, beg to enclose herewith affidavits taken by this office for such use as you can make of them in relation to the liquor licenses held by the firms involved.

The grand jury has not taken any action to date and I am of the opinion that they are hesitating because of inability to identify the bartenders who served these students. I am still working on the matter however. ✓

Yours very truly,

Walter H. Evans
District Attorney.

June 27, 1914.

Walter H. Evans, District Atty.,
Court House,
Portland, Oregon.

Dear Sir:-

The City Council on Thursday, June 25th, heard evidence in the case of T. I. Richards, proprietor of Richard's Grill, at Park and Alder Streets. His liquor licenses were revoked the following day by unanimous vote.

I understand you have been seeking evidence sufficient to institute abatement proceedings, and I believe this is now available. I shall be pleased to co-operate with you to this end, as I believe Richard's place should be abated.

Kindly advise me if I may be of assistance to your office in this regard.

Very truly yours,

WHE/C

MAYOR.
