

ORDINANCE No. 153071

An Ordinance authorizing the Purchasing Agent to call for bids to furnish all materials, equipment and labor to construct the SE 55th Avenue and SE Hawthorne Blvd Relief Sewer for the Bureau of Sanitary Engineering, authorizing a contract, authorizing the drawing and delivery of warrants, and declaring an emergency.

The City of Portland ordains:

Section 1. The Council finds:

1. The Bureau of Sanitary Engineering requires the furnishing of all materials, equipment and labor for construction of the SE 55th Avenue & SE Hawthorne Blvd Relief Sewer in accordance with the plans and specifications filed with the Purchasing Division.

NOW, THEREFORE, the Council directs:

- a. The Purchasing Agent shall advertise for bids using plans and specifications filed in his office.
- b. The Public Works Commissioner and the Auditor are authorized to execute a contract with the most favorable bidder as designated by the Council.
- c. The Mayor and the Auditor are authorized to draw and deliver warrants chargeable to the Sewage Disposal Fund, FY 1981-82 Budget, Bureau of Sanitary Engineering, Design Engineering Division, RU 146, Object Code 630, Improvements, when demand is presented and approved by the proper authority.

Section 2. The Council declares that an emergency exists because a delay in proceeding with the purchase may result in additional expense, and will unnecessarily deprive the City of the benefits of completion of the contract at an early date; therefore, this Ordinance shall be in force and effect from and after its passage by the Council.
