The City of Portland intends to reconsider the Fossil Fuel Terminal Zoning Amendments to comply with LUBA's Order. The proposed Zoning Code amendments are similar to the changes adopted in 2019, except for a few minor adjustments to reconcile the Fossil Fuel Terminal Zoning Amendments with subsequent changes to the Zoning Code that have been adopted since 2019 (see attached).

We are inviting the previous appellants and other potentially affected stakeholders to a virtual meeting to discuss the amendments before the ordinance is filed with the Council Clerk for a public hearing tentatively scheduled for June 30.

Please let me know if you need special accommodations to participate in this meeting.
