Dear Members of the Planning & Sustainability Commission:

Per the notice of the hearing for 10/25/2022, we wish to submit to the record this letter of support for the efforts that our neighbor Steve Romero has been making to vacate the portion of the Greenleaf Court between our properties. We have reviewed the proposal and spoken on numerous occasions about his plans. As such, we wish to offer our full unqualified support to vacate this portion of Greenleaf Ct.

Please contact us should you have any further questions or concerns.

Sincerely,

Bernd Brandle & Anya Bailis
