Subject: Proposed Street Vacation for SW Greenleaf Ct east of SE Greenleaf Dr RWA 9234
Date: Tuesday, October 4, 2022 10:38:05 AM

Hello Planning and Sustainability Commission;

Please accept this as my statement regarding the above referenced matter. As a homeowner adjacent to the property in question, I am writing to say that the vacation of this property is long overdue. There is no practical reason to have it as a paper road at all.

If you have any questions, please reach out to me. Thank you – Debbie Geffrard
