Subject: Affordable housing
Date: Thursday, October 20, 2022 7:00:09 PM

Dear Portland City commissioners,

How does affordable housing alleviate the homeless problem? Will the meeting tomorrow address sweeps? Our street has had camps for 3 years, open drug dealing, vandalism and threats of violence against residents are escalating. Please let me know when the sidewalks on our street will be permanently cleared and accessible again.

Sincerely,

Courtney Scott
