Subject: Humanitarian and public safety crisis
Date: Monday, October 24, 2022 11:20:02 AM

City Leadership,

Our city residents, businesses and citizens who wish to support our city businesses, Do Not Feel Safe downtown! WE are a local merchant who believes in Portland and have had a business downtown for over 45 years. Many of our clients are not willing to come downtown until safety issues are resolved. We believe that camping on our streets must cease and that we humanly offer an alternative choice.
