I support 100% the BAN on street camping, and the overall plan announced by the Mayor.

It is also essential that the Mayor, and the City Council, demand from both Multnomah County, and the Governor, that both provide their full FINANCIAL SUPPORT for the effective implementation of the OUTCOME of PERMANENTLY ELIMINATING open camping by houseless persons on the streets of Portland.

ALL LAWS AND ORDINANCES must be rigorously enforced. Any individuals who refuse to comply with law enforcement need to be IN JAIL.
