I'm 75 years old. I live in the Pearl. I walk daily for exercise.

My retirement has been RUINED by homeless vagrants and street camping.

My life has been threatened by a homeless criminal.

I'm sick and tired of looking over my shoulder. I'm sick and tired of crossing the street to avoid a street campers. I'm sick and tired of the trash. I'm sick and tired of the wandering horde of criminal zombies looking to steal. My condo building, as all buildings, has been the target of homeless criminals ever since street camping was allowed.

WE NEED PUBLIC SAFETY. WE NEED LAW AND ORDER.

Get the homeless campers OFF OUR SIDEWALKS NOW !!
