I am in favor of the camping ban.

We all have seen that the multi-pronged approach to assist the homeless yields little results.

Homeless funding has ballooned to \$50,000 per homeless per year.

I have a hard time understanding that this is a money problem.

If people won't move to a shelter, camp, whatever, arrest them. Force them to seek solutions to their never-ending litany of problems and excuses, or move out of Portland.
