- **PORTLAND CANNOT WAIT 18-MONTHS FOR CHANGE:** This plan currently lacks the timelines, deadlines and benchmarks that reflect the urgency and severity of this humanitarian and public safety crisis. Delaying enforcement of existing no camping laws, will only further delay the policy changes required to create safe camping areas w access to services, more emergency shelters, more housing, and cleaner, clear sidewalks. Without accountability and action, this plan is nothing more than just empty words and empty promises.
