Dear City Council,

We ask you to finally do something to protect all of our citizens and help the failing downtown.

Our volunteers, cleaning up RiverPlace the last 9 years, have been assaulted & harassed. We have landscaped, picked up hundreds of needles and drug paraphernalia, testified, helped campers and finally burned ourselves out.

Please move camps and dangerous drug addicts off pdx streets. It's long overdue.

As our AA volunteers say, don't enable drug use. It's time for Tough Love. Make everyone safe again.

Please!

Susan
