Subject: Comments on Wheeler Plan
Date: Tuesday, October 25, 2022 11:48:55 AM

I am thrilled that the city will finally ban camping on sidewalks. This has been a nuisance since Mayor Hales first allowed it and it's only gotten worse.

I support all five measures and hope that the city gets started on enforcement asap. The people of Portland have waited long enough and suffered too much inaction and indignity. Thank you!
