**Date:** Tuesday, October 25, 2022 4:07:07 PM

---

I support the Mayor's plans to help the houseless. Currently without governance we have an environment that is unsafe for everyone. Drug use and crime are out of control. There is litter in our neighborhoods where tents have been put up. People are sleeping in abandoned vehicles. Cars continue to be stolen. There is very little prosecution of people who commit crimes.
