Subject: Wheeler/Ryan Plan for Homelessness
Date: Tuesday, October 25, 2022 4:15:34 PM

We wholeheartedly endorse the Wheeler-Ryan plan to redress the homelessness problem in Portland. It is well past time to take immediate action and to launch longer-term future initiatives. The people living on Portland's streets desperately need help. So too do the businesses operating and residents living on those very same streets. Homeless people need to be removed from the streets as quickly as possible.
