Hello,

I would like to weigh in on the above mentioned item.

I think this is a great idea and needs to be implemented ASAP. Not in 18 months but ASAP! Various reasons behind this and I am sure you have heard them all.

Also, I see no reason to keep funding county operations to the tune of tens of millions of dollars a year to fund their non-working programs. It seems like it is throwing good money after bad and I, for one, am fed up with the wasteful spending.

Please approve this plan and get it up and running ASAP.

Thank You,

Peter S Ravagni
