Subject: Camping on City Streets
Date: Tuesday, October 25, 2022 7:27:00 PM

Dear Sirs,

Please aggressively enforce a ban on camping on city streets and sidewalks.

Many of my friends are no longer willing to visit downtown Portland out of fear for their safety.

Conditions in downtown Portland are a disgrace.

It is sad for me to see the deterioration of a city which has been my home for over 40 years.

Respectfully,

Martin L Schwartz
