Subject: Portland Leadership Problem
Date: Wednesday, October 26, 2022 12:07:31 AM

Illegal and inhumane camping on Portland's streets and in the parks has to stop. Addiction and defunding the police are the chief causes. It is not an affordable housing issue. The "housing first" plan has failed. Our city has suffered inexcusably from failed leadership and a dysfunctional bureaucracy. Enforce the laws. End this disaster now!
