**Subject:** The proposed camping ban is unconstitutional and inhumane  
**Date:** Wednesday, October 26, 2022 10:12:03 AM

---

Mr. Mayor and esteemed City Commissioners,

The proposed camping ban is an inexpensive, costly intervention that will not solve a serious crisis. Enforcing a camping ban by arresting and incarcerating people will be orders of magnitude more costly to the taxpayer without providing unhoused people with any of the resources they need to attain longterm stability.

Thank you for your time.
