To Whom It May Concern,

The time has come to end illegal camping in public areas. Please support proposed resolutions 899-903 to restore safety and clean up our city.

The \$45M/year spent on the Joint Office of Homeless Services is a waste. Use these city tax dollars to start implementing this plan. Longer term, Portland deserves its fair share of the \$250M a year homeless services tax.

The plan currently lacks timelines, deadlines and benchmarks that reflect the urgency of this public safety crisis. Without accountability and action this plan is just words and promises.

Thank you,

Susan Hebert
