Subject: Testimony for Agenda Item 899-903
Date: Wednesday, October 26, 2022 11:54:50 AM

Thank you Mayor and City Council for coming together on a plan to make meaningful progress addressing the humanitarian crisis in Portland's streets, parks, and public spaces. We needed this enacted *years* ago. We cannot wait another 18 months for you to take action. Please move forward with this plan immediately.

We need to return our streets, parks and neighborhoods back to a safe place for families and kids.

Sincerely,

Toff Williams
