Subject: Portland plan to ban outdoor camping
Date: Wednesday, October 26, 2022 12:45:43 PM

Thank you for your recent plan to move our houseless neighbors off the streets to a safer place with more access to services. I am in full support of the plan. It is far more compassionate to try to help people now rather than wait for the perfect solution of permanent housing while people suffer and die from violence, addiction, mental health disorders, pedestrian accidents and/or the elements on our streets.

Thank you again for proposing this.

Best,

Susan Aromaa
