To whom it may concern,

My name is Morgan Clark-Gaynor, and I am a constituent of Ted Wheelers and a citizen of Portland Oregon. I am outraged at the proposal for the resolution to Establish key actions to increase affordable housing construction. My community and I all recognize this means putting houseless and mentally ill people into camps to be neglected and abused by the Portland Police.

I have been disappointed in Wheeler before, and I remain unmoved. He will lose my vote given this measure.

Thank you,  
Morgan
