**Subject:** Support for city-sanctioned campsites  
**Date:** Thursday, October 27, 2022 8:13:48 AM

---

Dear Mayor Wheeler and Portland City Councilors,

I fully support the proposal to create several large campsites for the homeless and to ban camping on city streets. This is a common-sense policy, allowing campers access to services like toilets and trash collection, while keeping Portland's sidewalks and parks clean and safe.

Thank you,  
Allison Eshel
