Subject: mayor's plan for sanctioned homeless camp spaces
Date: Wednesday, November 2, 2022 11:03:52 AM

I urge the council to adopt the mayor's plan to enforce the city's camping ban, and provide designated spaces for homeless people who want to camp outside. The mayor's plan makes sense. Designating space for homeless to camp will allow them to avoid the disruption of sweeps, and will enormously improve the cleanliness and safety of our city.

Our public parks, streets, and sidewalks are meant to be safely available to all citizens. It's a win-win for all Portlanders.

Thank you,
