RESOLUTION No. 17993

WHEREAS, it appears to the Council that in the matter of obtaining certain slope easements required for improving Interstate Avenue certain damages were allowed by the City Council by Ordinance No. 52294, and certain persons appealed therefrom to the Circuit Court of Multnomah County, State of Oregon, and

WHEREAS, it further appears to the Council that all such appeals have been tried and judgments have been entered thereon in said court and a certified copy of each of such judgments has been filed with the City Auditor, being a judgment in each of Circuit Court cases numbered M 2938, M 3137, M 3138, M 3139, M 3140, M 3141 and M 2939, and

WHEREAS, it appears to the Council that it is advisable to lay out and establish said slope easements as particularly described in said ordinance, and provide for the payment of the damages allowed therefor; now, therefore, be it

RESOLVED, that the respective amounts established by said judgments on appeal are hereby recognized and accepted by the City, and that provision be immediately made for paying the damages allowed by said ordinance as modified by said judgments from the appropriation heretofore made from the Special Bridge Fund for said Interstate Avenue Fill.
