

## Resolution No. 18673

WHEREAS, it appears to the Council that the amount of damages to be paid for obtaining certain slope easements provided for in the Engineer's report pursuant to Resolution No. 17674, which slope easements are necessary for the fill to be placed in Woods Street, from the easterly line of First Street to the westerly line of Corbett Street, and that the full amount of damages should be paid from the Special Bridge Fund from which the expense of said fill is to be paid; and

WHEREAS, it appears to the Council that by Ordinance No. 53099 said amount of money has been made available for payment to the owners and persons entitled thereto and warrants authorized to be drawn therefor; be it

RESOLVED that said property having been appropriated as above provided, said slope easement as particularly described in said Ordinance No. 52952 is hereby declared to be laid out and established and the City Engineer shall file for record with the County Clerk of Multnomah County, Oregon, a copy of this resolution and an accurate plat of such slope easement as provided by the city charter.

Adopted by the Council JAN 2 1929
