Subrecipient shall provide matching funds for all Project Costs as described in Exhibit A.
4. **Project.** The Grant Funds shall be used solely for the Project described in Exhibit A and shall not be used for any other purpose. No Grant Funds will be disbursed for any changes to the Project unless such changes are approved by OEM by amendment pursuant to Section 11.d hereof.

- 5. Reports.** Failure of Subrecipient to submit the required program, financial, or audit reports, or to resolve program, financial, or audit issues may result in the suspension of grant payments, termination of this Agreement, or both.

**a. Performance Reports.**

- i. Subrecipient agrees to submit performance reports, using a form provided by OEM, on its progress in meeting each of its agreed upon goals and objectives. The narrative reports will address specific information regarding the activities carried out under the FY 2022 Emergency Management Performance Grant Program and how they address identified work plan elements.
- ii. Reports are due to OEM on or before the 15th day of the month following each subsequent calendar quarter (ending on March 31, June 30, September 30, and December 31).

**b. Financial Reimbursement Reports.**

- i. To receive reimbursement, Subrecipient must submit a signed Request for Reimbursement (RFR), using a form provided by OEM, that includes supporting documentation for all grant and, if applicable, match expenditures. RFRs must be submitted monthly during the term of this Agreement. RFRs must be submitted on or before 30 days following each subsequent calendar month, and a final RFR must be submitted no later than 30 days following the end of the grant period.
- ii. Reimbursements for expenses will be withheld if performance reports are not submitted by the specified dates or are incomplete.
- iii. Reimbursement rates for travel expenses shall not exceed those allowed by the State of Oregon. Requests for reimbursement for travel must be supported with a detailed statement identifying the person who traveled, the purpose of the travel, the dates, times, and places of travel, and the actual expenses or authorized rates incurred.
- iv. Reimbursements will only be made for actual expenses incurred during the Grant Award Period. Subrecipient agrees that no grant or, if applicable, match funds may be used for expenses incurred before or after the Grant Award Period.

**6. Disbursement and Recovery of Grant Funds.**

- a. Disbursement Generally.** OEM shall reimburse eligible costs incurred in carrying out the Project, up to the Grant Fund amount provided in Section 3. Reimbursements shall be made by OEM upon approval by OEM of an RFR. Eligible costs are the reasonable and necessary costs incurred by Subrecipient for the Project, in accordance with the Emergency Management Performance Grants guidance and application materials, including without limitation the United States Department of Homeland Security Notice of Funding Opportunity Announcement (NOFO), that are not excluded from reimbursement by OEM, either by this Agreement or by exclusion as a result of financial review or audit. The guidance, application materials and NOFO are available at <http://www.oregon.gov/OEM/emresources/Grants/Pages/EMPG.aspx>
- b. Conditions Precedent to Disbursement.** OEM's obligation to disburse Grant Funds to Subrecipient is subject to satisfaction, with respect to each disbursement, of each of the following conditions precedent:

- i. OEM has received funding, appropriations, limitations, allotments or other expenditure authority sufficient to allow OEM, in the exercise of its reasonable administrative discretion, to make the disbursement.
- ii. Subrecipient is in compliance with the terms of this Agreement including, without limitation, Exhibit B and the requirements incorporated by reference in Exhibit B.
- iii. Subrecipient's representations and warranties set forth in Section 7 hereof are true and correct on the date of disbursement with the same effect as though made on the date of disbursement.
- iv. Subrecipient has provided to OEM a RFR in accordance with Section 5.b of this Agreement.

**c. Recovery of Grant Funds.** Any funds disbursed to Subrecipient under this Agreement that are expended in violation or contravention of one or more of the provisions of this Agreement ("Misexpended Funds") or that remain unexpended on the earlier of termination or expiration of this Agreement ("Unexpended Funds") must be returned to OEM. Subrecipient shall return all Misexpended Funds to OEM promptly after OEM's written demand and no later than 15 days after OEM's written demand. Subrecipient shall return all Unexpended Funds to OEM within 14 days after the earlier of expiration or termination of this Agreement.

**7. Representations and Warranties of Subrecipient.** Subrecipient represents and warrants to OEM as follows:

- a. Organization and Authority.** Subrecipient is a political subdivision of the State of Oregon and is eligible to receive the Grant Funds. Subrecipient has full power, authority, and legal right to make this Agreement and to incur and perform its obligations hereunder, and the making and performance by Subrecipient of this Agreement (1) have been duly authorized by all necessary action of Subrecipient and (2) do not and will not violate any provision of any applicable law, rule, regulation, or order of any court, regulatory commission, board, or other administrative agency, (3) do not and will not result in the breach of, or constitute a default or require any consent under any other agreement or instrument to which Subrecipient is a party or by which Subrecipient or any of its properties may be bound or affected. No authorization, consent, license, approval of, filing or registration with or notification to any governmental body or regulatory or supervisory authority is required for the execution, delivery or performance by Subrecipient of this Agreement.
- b. Binding Obligation.** This Agreement has been duly executed and delivered by Subrecipient and constitutes a legal, valid and binding obligation of Subrecipient, enforceable in accordance with its terms subject to the laws of bankruptcy, insolvency, or other similar laws affecting the enforcement of creditors' rights generally.
- c. No Solicitation.** Subrecipient's officers, employees, and agents shall neither solicit nor accept gratuities, favors, or any item of monetary value from contractors, potential contractors, or parties to subagreements. No member or delegate to the Congress of the United States or State of Oregon employee shall be admitted to any share or part of this Agreement or any benefit arising therefrom.
- d. NIMS Compliance.** By accepting FY 2022 funds, Subrecipient certifies that it has met National Incident Management System (NIMS) compliance activities outlined in the Oregon NIMS Requirements located through the OEM at [http://www.oregon.gov/OEM/emresources/Plans\\_Assessments/Pages/NIMS.aspx](http://www.oregon.gov/OEM/emresources/Plans_Assessments/Pages/NIMS.aspx)

The warranties set forth in this section are in addition to, and not in lieu of, any other warranties set forth in this Agreement or implied by law.

## **8. Records Maintenance and Access; Audit.**

- a. Records, Access to Records and Facilities.** Subrecipient shall make and retain proper and complete books of record and account and maintain all fiscal records related to this Agreement and the Project in accordance with all applicable generally accepted accounting principles, generally accepted governmental auditing standards and state minimum standards for audits of municipal corporations. Subrecipient acknowledges and agrees, and Subrecipient will require its contractors, subcontractors, sub-recipients (collectively hereafter “contractors”), successors, transferees, and assignees to acknowledge and agree, to provide OEM, Oregon Secretary of State (Secretary), Office of Inspector General (OIG), Department of Homeland Security (DHS), Federal Emergency Management Agency (FEMA), or any of their authorized representatives, access to records, accounts, documents, information, facilities, and staff. Subrecipient and its contractors must cooperate with any compliance review or complaint investigation by any of the above listed agencies, providing them access to and the right to examine and copy records, accounts, and other documents and sources of information related to the grant and permit access to facilities, personnel, and other individuals and information as may be necessary. The right of access is not limited to the required retention period but shall last as long as the records are retained.
- b. Retention of Records.** Subrecipient shall retain and keep accessible all books, documents, papers, and records that are directly related to this Agreement, the Grant Funds or the Project for until the latest of (a) six years following termination, completion or expiration of this Agreement, (b) upon resolution of any litigation or other disputes related to this Agreement, or (c) as required by 2 CFR 200.334. It is the responsibility of Subrecipient to obtain a copy of 2 CFR Part 200, and to apprise itself of all rules and regulations set forth.
- c. Audits.**
  - i. If Subrecipient expends \$750,000 or more in Federal funds (from all sources) in its fiscal year, Subrecipient shall have a single organization-wide audit conducted in accordance with the provisions of 2 CFR 200 Subpart F. Copies of all audits must be submitted to OEM within 30 days of completion. If Subrecipient expends less than \$750,000 in its fiscal year in Federal funds, Subrecipient is exempt from Federal audit requirements for that year. Records must be available for review or audit by appropriate officials as provided in Section 8.a. herein.
  - ii. Audit costs for audits not required in accordance with 2 CFR 200 Subpart F are unallowable. If Subrecipient did not expend \$750,000 or more in Federal funds in its fiscal year but contracted with a certified public accountant to perform an audit, costs for performance of that audit shall not be charged to the grant.
  - iii. Subrecipient shall save, protect and hold harmless the OEM from the cost of any audits or special investigations performed by the Secretary or any federal agency with respect to the funds expended under this Agreement. Subrecipient acknowledges and agrees that any audit costs incurred by Subrecipient as a result of allegations of fraud, waste or abuse are ineligible for reimbursement under this or any other agreement between Subrecipient and the State of Oregon.

## **9. Subrecipient Procurements; Property and Equipment Management and Records; Subcontractor Indemnity and Insurance**

- a. Subagreements** Subrecipient may enter into contracts (hereafter “subagreements”) for performance of the Project. Subrecipient must have and use its own documented procurement procedures that conform with applicable State and Federal law, including, without limitation, 2 CFR 200.318 through 200.327. For each subagreement over \$150,000, the subagreement shall

address administrative, contractual or legal remedies for violation or breach of subagreement terms and provide for sanctions and penalties as appropriate. Additionally, for each subagreement over \$10,000, the subagreement shall address termination for cause or for convenience including the manner in which termination will be affected and the basis for settlement.

- i. Subrecipient shall provide to OEM copies of all Requests for Proposals or other solicitations for procurements anticipated to be for \$100,000 or more and to provide to OEM, upon request by OEM, such documents for procurements for less than \$100,000. Subrecipient shall include with its RFR a list of all procurements issued during the period covered by the report.
- ii. All subagreements, whether negotiated or competitively bid and without regard to dollar value, shall be conducted in a manner that encourages fair and open competition to the maximum practical extent possible. All sole-source procurements in excess of \$100,000 must receive prior written approval from OEM in addition to any other approvals required by law applicable to Subrecipient. Justification for sole-source procurement in excess of \$100,000 should include a description of the program and what is being contracted for, an explanation of why it is necessary to contract noncompetitively, time constraints and any other pertinent information. Interagency agreements between units of government are excluded from this provision.
- iii. Subrecipient shall be alert to organizational conflicts of interest or non-competitive practices among contractors that may restrict or eliminate competition or otherwise restrain trade. Contractors that develop or draft specifications, requirements, statements of work, or Requests for Proposals (RFP) for a proposed procurement shall be excluded from bidding or submitting a proposal to compete for the award of such procurement. Any request for exemption must be submitted in writing to OEM.
- iv. Subrecipient agrees that, to the extent it uses contractors, such contractors shall use small, minority, women-owned or disadvantaged business concerns and contractors or subcontractors to the extent practicable.

**b. Purchases and Management of Property and Equipment; Records.** Subrecipient agrees to comply with all applicable federal requirements referenced in Exhibit B, Section II.C.1 to this Agreement and all procedures for managing and maintaining records of all purchases of property and equipment including, without limitation, the following requirements:

- i. All property and equipment purchased under this agreement, whether by Subrecipient or a contractor, will be conducted in a manner providing full and open competition and in accordance with all applicable procurement requirements under State and Federal law, including without limitation, 2 CFR 200.318 through 200.327, and all purchases shall be recorded and maintained in Subrecipient's property or equipment inventory system.
- ii. Subrecipient's property and equipment records shall include the following information at the minimum: a description of the property or equipment; the manufacturer's serial number, model number, or other identification number; the source of the property or equipment, including the Catalog of Federal Domestic Assistance (CFDA) number; name of person or entity holding title to the property or equipment; the acquisition date; cost and percentage of Federal participation in the cost; the location, use and condition of the property or equipment; and any ultimate disposition data including the date of disposal and sale price of the property or equipment.
- iii. A physical inventory of the property and equipment must be taken and the results reconciled with the property and equipment records at least once every two years.

- iv. Subrecipient must develop a control system to ensure adequate safeguards to prevent loss, damage, or theft of the property and equipment. Subrecipient shall investigate any loss, damage, or theft and shall provide the results of the investigation to OEM upon request.
  - v. Subrecipient must develop, or require its contractors to develop, adequate maintenance procedures to keep the property and equipment in good condition.
  - vi. If Subrecipient is authorized to sell the property or equipment, proper sales procedures must be established to ensure the highest possible return.
  - vii. Subrecipient agrees to comply with 2 CFR 200.313 pertaining to use and disposal of equipment purchased with Grant Funds, including when original or replacement equipment acquired with Grant Funds is no longer needed for the original project or program or for other activities currently or previously supported by a Federal agency.
  - viii. Subrecipient shall require its contractors to use property and equipment management requirements that meet or exceed the requirements provided herein applicable to all property and equipment purchased with Grant Funds.
  - ix. Subrecipient shall, and shall require its contractors to, retain, the records described in this Section 9.b. for a period of six years from the date of the disposition or replacement or transfer at the discretion of OEM. Title to all property and equipment purchased with Grant Funds shall vest in Subrecipient if Subrecipient provides written certification to OEM that it will use the property and equipment for purposes consistent with the Emergency Management Performance Grant Program.
- c. **Subagreement indemnity; insurance.** Subrecipient's subagreement(s) shall require the other party to such subagreements(s) that is not a unit of local government as defined in ORS 190.003, if any, to indemnify, defend, save and hold harmless OEM and its officers, employees and agents from and against any and all claims, actions, liabilities, damages, losses, or expenses, including attorneys' fees, arising from a tort, as now or hereafter defined in ORS 30.260, caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of the other party to Subrecipient's subagreement or any of such party's officers, agents, employees or subcontractors ("Claims"). It is the specific intention of the Parties that OEM shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of OEM, be indemnified by the other party to Subrecipient's subagreement(s) from and against any and all Claims.

Any such indemnification shall also provide that neither Subrecipient's contractor(s) nor any attorney engaged by Subrecipient's contractor(s) shall defend any claim in the name of OEM or any agency of the State of Oregon (collectively "State"), nor purport to act as legal representative of the State or any of its agencies, without the prior written consent of the Oregon Attorney General. The State may, at any time at its election, assume its own defense and settlement in the event that it determines that Subrecipient's contractor is prohibited from defending State or that Subrecipient's contractor is not adequately defending State's interests, or that an important governmental principle is at issue or that it is in the best interests of State to do so. State reserves all rights to pursue claims it may have against Subrecipient's contractor if State elects to assume its own defense.

Subrecipient shall require the other party, or parties, to each of its subagreements that are not units of local government as defined in ORS 190.003 to obtain and maintain insurance of the types and in the amounts provided in Exhibit C to this Agreement.

## 10. Termination

- a. Termination by OEM.** OEM may terminate this Agreement effective upon delivery of written notice of termination to Subrecipient, or at such later date as may be established by OEM in such written notice, if:
- i. Subrecipient fails to perform the Project within the time specified herein or any extension thereof or commencement, continuation or timely completion of the Project by Subrecipient is, for any reason, rendered improbable, impossible, or illegal; or
  - ii. OEM fails to receive funding, appropriations, limitations or other expenditure authority sufficient to allow OEM, in the exercise of its reasonable administrative discretion, to continue to make payments for performance of this Agreement; or
  - iii. Federal or state laws, rules, regulations or guidelines are modified or interpreted in such a way that the Project is no longer allowable or no longer eligible for funding under this Agreement; or
  - iv. The Project would not produce results commensurate with the further expenditure of funds; or
  - v. Subrecipient takes any action pertaining to this Agreement without the approval of OEM and which under the provisions of this Agreement would have required the approval of OEM.
  - vi. OEM determines there is a material misrepresentation, error or inaccuracy in Subrecipient's application.
- b. Termination by Subrecipient.** Subrecipient may terminate this Agreement effective upon delivery of written notice of termination to OEM, or at such later date as may be established by Subrecipient in such written notice, if:
- i. The requisite local funding to continue the Project becomes unavailable to Subrecipient; or
  - ii. Federal or state laws, rules, regulations or guidelines are modified or interpreted in such a way that the Project is no longer allowable or no longer eligible for funding under this Agreement.
- c. Termination by Either Party.** Either Party may terminate this Agreement upon at least ten days notice to the other Party and failure of the other Party to cure within the period provided in the notice, if the other Party fails to comply with any of the terms of this Agreement.
- d. Settlement upon Termination.** Immediately upon termination under Sections 10.a.i., v. or vi., no Grant Funds shall be disbursed by OEM, and Subrecipient shall return to OEM Grant Funds previously disbursed to Subrecipient by OEM in accordance with Section 6.c and the terminating party may pursue additional remedies in law or equity. Upon termination pursuant to any other provision in this Section 10, no further Grant Funds shall be disbursed by OEM and Subrecipient shall return funds to OEM in accordance with Section 6.c, except that Subrecipient may pay, and OEM shall disburse, funds for obligations incurred and approved by OEM up to the day that the non-terminating party receives the notice of termination. Termination of this Agreement does not relieve Subrecipient of any other term of this Agreement that may survive termination, including without limitation Sections 11.a and c.

## 11. GENERAL PROVISIONS

### a. Contribution.

- i. If any third party makes any claim or brings any action, suit or proceeding alleging a tort as now or hereafter defined in ORS 30.260 ("Third-Party Claim") against a party (the

"Notified Party") with respect to which the other party ("Other Party") may have liability, the Notified Party must promptly notify the Other Party in writing of the Third-Party Claim and deliver to the Other Party a copy of the claim, process, and all legal pleadings with respect to the Third-Party Claim. Either party is entitled to participate in the defense of a Third-Party Claim, and to defend a Third-Party Claim with counsel of its own choosing. Receipt by the Other Party of the notice and copies required in this paragraph and meaningful opportunity for the Other Party to participate in the investigation, defense and settlement of the Third-Party Claim with counsel of its own choosing are conditions precedent to the Other Party's liability with respect to the Third-Party Claim.

- ii. With respect to a Third-Party Claim for which OEM is jointly liable with Subrecipient (or would be if joined in the Third-Party Claim), OEM shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by Subrecipient in such proportion as is appropriate to reflect the relative fault of OEM on the one hand and of Subrecipient on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of OEM on the one hand and of Subrecipient on the other hand shall be determined by reference to, among other things, the parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. OEM's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law if OEM had sole liability in the proceeding.
- iii. With respect to a Third-Party Claim for which Subrecipient is jointly liable with OEM (or would be if joined in the Third-Party Claim), Subrecipient shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by OEM in such proportion as is appropriate to reflect the relative fault of Subrecipient on the one hand and of OEM on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of Subrecipient on the one hand and of OEM on the other hand shall be determined by reference to, among other things, the Parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. Subrecipient's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law, including the Oregon Tort Claims Act, ORS 30.260 to 30.300, if it had sole liability in the proceeding.

- b. **Dispute Resolution.** The Parties shall attempt in good faith to resolve any dispute arising out of this Agreement. In addition, the Parties may agree to utilize a jointly selected mediator or arbitrator (for non-binding arbitration) to resolve the dispute short of litigation. Each party shall bear its own costs incurred under this Section 11.b.
- c. **Responsibility for Grant Funds.** Any recipient of Grant Funds, pursuant to this Agreement with OEM, shall assume sole liability for that recipient's breach of the conditions of this Agreement, and shall, upon such recipient's breach of conditions that requires OEM to return funds to the FEMA, hold harmless and indemnify OEM for an amount equal to the funds received under this Agreement; or if legal limitations apply to the recipient's indemnification ability, the indemnification amount shall be the maximum amount of funds available for expenditure, including any available contingency funds or other available non-appropriated funds, up to the amount received under this Agreement.

- d. **Amendments.** This Agreement may be amended or extended only by a written instrument signed by both Parties and approved as required by applicable law.
- e. **Duplicate Payment.** Subrecipient is not entitled to compensation or any other form of duplicate, overlapping or multiple payments for the same work performed under this Agreement from any agency of the State of Oregon or the United States of America or any other party, organization or individual.
- f. **No Third-Party Beneficiaries.** OEM and Subrecipient are the only Parties to this Agreement and are the only Parties entitled to enforce its terms. Nothing in this Agreement gives, is intended to give, or shall be construed to give or provide any benefit or right, whether directly or indirectly, to a third person unless such a third person is individually identified by name herein and expressly described as an intended beneficiary of the terms of this Agreement.

Subrecipient acknowledges and agrees that the Federal Government, absent express written consent by the Federal Government, is not a party to this Agreement and shall not be subject to any obligations or liabilities to Subrecipient, contractor or any other party (whether or not a party to the Agreement) pertaining to any matter resulting from this Agreement.

- g. **Notices.** Except as otherwise expressly provided in this Section, any communications between the parties hereto or notice to be given hereunder shall be given in writing by personal delivery, facsimile, email or mailing the same by registered or certified mail, postage prepaid to Subrecipient or OEM at the appropriate address or number set forth on the signature page of this Agreement, or to such other addresses or numbers as either party may hereafter indicate pursuant to this Section. Any communication or notice so addressed and sent by registered or certified mail shall be deemed delivered upon receipt or refusal of receipt. Any communication or notice delivered by facsimile shall be deemed to be given when receipt of the transmission is generated by the transmitting machine. Any communication or notice by personal delivery shall be deemed to be given when actually delivered. Any communication by email shall be deemed to be given when the recipient of the email acknowledges receipt of the email. The parties also may communicate by telephone, regular mail or other means, but such communications shall not be deemed Notices under this Section unless receipt by the other party is expressly acknowledged in writing by the receiving party.
- h. **Governing Law, Consent to Jurisdiction.** This Agreement shall be governed by, construed in accordance with, and enforced under the laws of the State of Oregon without regard to principles of conflicts of law. Any claim, action, suit or proceeding (collectively, "Claim") between OEM (or any other agency or department of the State of Oregon) and Subrecipient that arises from or relates to this Agreement shall be brought and conducted solely and exclusively within the Circuit Court of Marion County in the State of Oregon. In no event shall this section be construed as a waiver by the State of Oregon of any form of defense or immunity, whether sovereign immunity, governmental immunity, immunity based on the eleventh amendment to the Constitution of the United States or otherwise, from any Claim or from the jurisdiction of any court. Each party hereby consents to the exclusive jurisdiction of the Circuit Court of Marion County in the State of Oregon, waives any objection to venue, and waives any claim that such forum is an inconvenient forum.
- i. **Compliance with Law.** Subrecipient shall comply with all federal, state and local laws, regulations, executive orders and ordinances applicable to the Agreement or to the implementation of the Project, including without limitation as described in Exhibit B. Without limiting the generality of the foregoing, Subrecipient expressly agrees to comply with (i) Title VI of Civil

Rights Act of 1964; (ii) Title V and Section 504 of the Rehabilitation Act of 1973; (iii) the Americans with Disabilities Act of 1990 and ORS 659A.142; (iv) all regulations and administrative rules established pursuant to the foregoing laws; and (v) all other applicable requirements of federal and state civil rights and rehabilitation statutes, rules and regulations.

- j. Insurance; Workers' Compensation.** All employers, including Subrecipient, that employ subject workers who provide services in the State of Oregon shall comply with ORS 656.017 and provide the required Workers' Compensation coverage, unless such employers are exempt under ORS 656.126. Employer's liability insurance with coverage limits of not less than \$500,000 must be included. Subrecipient shall ensure that each of its subrecipient(s), contractor(s), and subcontractor(s) complies with these requirements.
- k. Independent Contractor.** Subrecipient shall perform the Project as an independent contractor and not as an agent or employee of OEM. Subrecipient has no right or authority to incur or create any obligation for or legally bind OEM in any way. OEM cannot and will not control the means or manner by which Subrecipient performs the Project, except as specifically set forth in this Agreement. Subrecipient is responsible for determining the appropriate means and manner of performing the Project. Subrecipient acknowledges and agrees that Subrecipient is not an "officer", "employee", or "agent" of OEM, as those terms are used in ORS 30.265, and shall not make representations to third parties to the contrary.
- l. Severability.** If any term or provision of this Agreement is declared by a court of competent jurisdiction to be illegal or in conflict with any law, the validity of the remaining terms and provisions shall not be affected, and the rights and obligations of the Parties shall be construed and enforced as if this Agreement did not contain the particular term or provision held to be invalid.
- m. Counterparts.** This Agreement may be executed in two or more counterparts (by facsimile or otherwise), each of which is an original and all of which together are deemed one agreement binding on all Parties, notwithstanding that all Parties are not signatories to the same counterpart.
- n. Integration and Waiver.** This Agreement, including all Exhibits and referenced documents, constitutes the entire agreement between the Parties on the subject matter hereof. There are no understandings, agreements, or representations, oral or written, not specified herein regarding this Agreement. The delay or failure of either Party to enforce any provision of this Agreement shall not constitute a waiver by that Party of that or any other provision. Subrecipient, by the signature below of its authorized representative, hereby acknowledges that it has read this Agreement, understands it, and agrees to be bound by its terms and conditions.

**THE PARTIES**, by execution of this Agreement, hereby acknowledge that each Party has read this Agreement, understands it, and agrees to be bound by its terms and conditions.

### Project Description and Budget

#### I. Project Description

The FY2022 EMPG Program focuses on the development and sustainment of core capabilities as outlined in the National Preparedness Strategy. The FY2022 EMPG Work Plan identifies the specific tasks to be performed towards the development and sustainment of core capabilities in Subrecipient's jurisdiction. The funds from this agreement are meant to supplement a portion of Subrecipient's day-to-day operational costs for Emergency Management, as outlined in Subrecipient's approved Work Plan. The Work Plan may be updated upon approval by OEM.
