SPEED CONTROL

July 9, 1970

Officer B. R. Kelly
Traffic Division
Multnomah County Courthouse
Portland, Oregon 97204

Dear Officer Kelly:

Re: S.E. 71 AVE.(Flavel to Ogden)

With reference to your report of speeding on S.E. 71st Avenue north of Flavel Street, there is one 25 M.P.H. sign posted for northbound traffic at 71st and Flavel. There is a 25 M.P.H. sign posted for southbound traffic at 71st and Ogden.

After a survey of S.E. 71 Avenue it is our conclusion that the problem is one of enforcement. Is it possible to have a patrol car on this street once or twice each week, in order to catch those who violate the posted speeds?

Sincerely yours,

ROBERT L. NORDLANDER, Director
Public Works
