*Pay property damage claim of Adam Gassner for \$8,204 resulting from a motor vehicle collision involving the Portland Bureau of Transportation

Passed

The City of Portland ordains:

Section 1. The Council finds:

1. Adam Gassner has filed a claim against the City for damages resulting from a motor vehicle collision involving the Portland Bureau of Transportation on August 31, 2022.
2. The claim has been investigated by Risk Management Services. The investigation indicates there is risk the City may be found liable. Therefore, in order to avoid the risk of an adverse jury award, we feel it is prudent to settle the claim at this time.
3. Risk Management Services recommends the claim be settled for the total sum of \$8,204, subject to the claimant providing the City with a release in a form to be approved by the City Attorney.

NOW, THEREFORE, the Council directs:

- A. The Mayor and City Auditor are hereby authorized to draw and deliver a check in the amount of \$8,204 made payable to Adam Gassner.
- B. Risk Management Services will execute a payment authorization in the amount set forth in sub-paragraph (A) above.

Section 2. The Council declares that an emergency exists in order to avoid undue and costly delay in settling this property damage claim; therefore, this Ordinance shall be in full force and effect from and after its passage by the Council.

An ordinance when passed by the Council shall be signed by the Auditor. It shall be carefully filed and preserved in the custody of the Auditor (City Charter Chapter 2 Article 1 Section 2-122)
