Date	INTERVIEW REGISTER	Relocation
1/15/71	FLYER: Delivered by Ted Parker.	
1/15/71	Mr. Wng came into the office to talk about his ideas on the project and spent over two hours. Member of EDPA and appeared at City Council meeting. He is hard to understand sometimes because of language difficult His main point of contention is the fact that this is being done for Emanuel Hospital which he looks at as a money grabbing corporation. He is also distrustful of the government, but thought that what PDC was doing across the river(SW) was a good thing. He wouldn't object here so much if the project were being done for a public insitution like Mult. Co. Hospital, but looks at Emanuel as being no different from Fred Meyers. He thinks the government should lease his land for 99 years instead of buying it so that he would have an income for life. Mr. Yung talks loudly and excitedly, but that is just his way of expressing himself.	
	* At the city council hearing on October 21, 1970, Mr. Yung stated that no one had spoken to him personally about the plan it was a trick - his taxes were going down - while the rest of the city's went up which means that the city is putting his value down they can pay less today's reverse of Robin Hood.	
	* Mr. Wung also spoke to Ernie Yuzon prior to city council meeting and told him that if PDC persisted with plan he would deed his property to his brother in China rather than sell to us.	
2/23/71	SURVEY: Would not answer door, or respond to notes or cards left.	
9/24/71	Chester Yung says he lives in the upstairs apartment which he says has four bedrooms. Option has been present at \$7,500 for total real estate. Went with Mr. Yung to look at his apartment to determine number of bed- rooms. He actually sleeps in what normally would be considered the living room. He has set it up as a bedroom with double bed, etc. There is also a separate bedroom with all the normal furniture. There are two rooms upstairs. One may have been used as a bedroom at one time, but is now just used for storage of junk. The other room is also used only for storage now, but it still has a single bed set up, which could be used. It is my opinion that the quarters which Mr. Yung occupies contains two bedrooms, with a third bedroom being questionable.	WSJ

MEMORANDUM

Date March 22, 1973

TO: Stan Jones

FROM: Ben Webb

SUBJECT: Chester Yung

On March 19, 1973 Chester Yung reported to the main office to again discuss his relocation. After about a two-hour discussion, he at one time said he wanted to withdraw the option that he had signed with us, but later changed his mind and agreed that he would go back to Mayfair Realty and sign an earnest money with them on a property that he says he wants to purchase.

On March 22, 1973 we received a copy of the earnest money from Mayfair Realty. The agent for Mayfair is Kathy Street.

Please ask for the required inspections and prepare the proper claim forms for Mr. Yung to sign. When the forms are prepared, please contact me before delivering them to him, because we have had some special conversations in this matter that you will need to be aware of before we think he will sign.

Dear Mr. Wong:

On February 23, 1972 a meating was held at our office between yourdelf, Mr. Chester Yung, Mr. James Crolley, and myself, to discuss Mr. Yung's eligibility for relocation benefits as a result of being displaced by the Emenuel Hospital Urban Renewal Project. Mr. Yung qualifies for benefits as an owner-occupant under the provisions of the Uniform Relocation Assistance and Real Preparty Acquisition Policies Act of 1978. Under the provisions of the Act, Mr. Yung may be aligible for:

- (a) <u>Payment for moving and related expenses</u>. This may be either:
  - I. Payment for actual reasonable maving expenses;

or

- 2, A fixed moving expense allogance not to exceed \$300 and a dislocation allogance of \$200.
- (b) Payment to easist in obtaining a replacement housing unit, not to easist \$15,000 and covering the following:
  - 1. The difference, if any, tighten the acquisition' payment ands by the Campitsion and the reasonable cost of a comparable suitable replacement housing unit;
  - 2. An amount to compensate for the present worth of any less of favorable financing; and
  - 3. An amount to compensate for reasonable closing costs incident to the purchase of a replacement housing unit.

Mr. Sun Wong Page 2 February 26, 1973

Since the property new occupied by Mr. Yung includes space used for non-residential purposes, the amount of the above-mentioned payment must be determined by using as the acquisition payment of the dwelling unit, only that part of the total payment which relates to the value of the residential-use portion of the structure. In Mr. Yung's case we have determined that \$3,375 of the \$7,500 offer is for payment of the residential portion. We therefore determine that the maximum replacement payment to which Mr. Yung is entitled is \$15,000, computed as follows:

Average reasonable cost of a comparable unit	\$22,552
Adquisition price	3.375
Difference (Limit \$15,000)	\$19.177

Please note that to be eligible for the maximum \$15,000, he must purchase a replacement personal residence for which the reasonable cost is \$18,375 (e.g., \$15,000 + \$3,375). In addition, the replacement unit must meet all lodel upde requirements.

We hope that this is the information you require, and we want to thenk you for your attention in this matter.

Very truly yours,

Benjamin C, Webb Chief, Relocation and Propetty Management

Mr. Harold Hand c/o Mrs. Dorothy Lyon PORTLAND DEVELOPMENT COMMISSION 1700 S.W. Fourth Avenue Portland, Oregon 97201

Gentlemen:

Sun Wong called me yesterday and talk at great length. He is a partner and friend of Chester Yung. At the same time, I got a letter from Bill Gross, advising me of his resignation as Chester Yung's attorney. We have suit filed and served on Chester Yung. We have been unable to find Sum Oi Yung for service, and are in the process of getting up substituted service by publication.

At any rate, Chester is without counsel now, and this will probably delay us a great deal. After a lengthy conversation I managed to explain in a friendly way to Sun Wong that it was impossible to negotiate beyond our offer. He was then interested in finding out about relocation benefits. It was my understanding that Chester did not live in the premises, but I may be mistaken. Is there any relocation benefits available to Chester Yung, and if so, what has been the nature of discussions with him thus far. It appears that, if we think we want one, we have a friend in Sun Wong who can speak to Chester Yung and be believed.

Very truly yours,

WILLIAMS, MONTAGUE, STARK, HIEFIELD & MORVILLE, P.C.

TO: The File

FROM: BCW

SUBJECT: Chester Young

i had about a 35 minute telephone call from a Mr. Wong, who said that he is a friend of Mr. Young and is trying to assist him. He indicated that he was doing this as a friend, because Mr. Young is so convinced that everybody is out to take advantage of him that it is very difficult for him to be objective.

Mr. Wong indicated that he only wanted to confirm conversations that he had had with Mr. Jones and Mr. Crolley. I confirmed the conversations that they had had, after which time Mr. Wong said that he would like to bring Mr. Young in to see me. I suggested that he arrange a date with Mr. Young and telephone me so that we could have the file and either Mr. Crolley or Mr. Jones down at the time of the interview.

  - 1. Upon analysis of the appraisal reports, it is determined that the value of that part of the property occupied by the owner is \$3,375.00.
  - 2. The income imputable to the owner's unit represents 45% of the estimated gross income imputable to the total property and it is therefore concluded that the value of the owner's unit is 45% of the total value as reported in the appraisal report.
