<u>Alexandra.Howard@portlandoregon.gov</u>

<u>Agenda</u>
10:30 - Welcome/Introductions

10:35 – Overview of notes from 4/15 PPAG work session, and the recent

10:45 - Review Agenda

10:50 – Discussion

       The focus of the discussion will be the Quick-Start Actions described in
       the Education Strategy.

       The Strategy is online here:
       <u>http://www.portlandonline.com/portlandplan/index.cfm?c=50730</u>

       Three questions to shape the discussion:

1) Are there other quick-starts we have missed – other actions that would
   more effectively implement the goals of the strategy?
2) Do the actions reflect the stated commitment to disparity reduction and
   equity?
3) Which actions should be dropped, or changed, and why?
