

## Bureau of Planning and Sustainability

### Floodplain Resilience Plan

Urban Native Community Focus Group

Agenda | June 30, 2022

---

5:30 p.m.      **Warm Welcome**

- Introductions
- Icebreaker: *What is your favorite local body of water and why?*
- Ground rules
- Session Expectations and Participant Incentives

5:40 p.m.      **Purpose and Goals**

- Purpose and Goals of Focus Group
- Engagement promise

5:45 p.m.      **Floodplain Resilience Plan Overview**

- Recap of work to date
- Priority goals and objectives
- Presentation: Project Summary, Milestones, and Timeline
- Potential Impacts of Plan (Benefits and Challenges)

6:00 p.m.      **Guided Discussion**

- *When you think about the potential for flooding in the city, what are some concerns that you have? If you have taken or expect to take precautions to prepare for flooding, what are they?*
- *Given what you know about the proposals in the Floodplain Resilience Plan, are there concerns you have about applying additional environmental protections in the city's floodplains? Do you anticipate the changes will impact your property or workplace? If so, how?*
- *Are there programs or tools that the City should consider to address potential impacts, especially for the Indigenous community or other underrepresented people?*
- *Are there any other actions the City of Portland could take to help individuals and/or businesses better prepare for future flooding?*
- Q&A

6:50 p.m. **Reflect Back: Key Themes**

- What we heard

6:55 p.m. **Next Steps**

- Work Ahead
- What you can expect from BPS/project team

7:00 p.m. **Close and Thank You**

- Send questions/feedback to BPS/project team
