Ordinance

Accept grant and authorize Intergovernmental Agreement with Metro for \$845,095 for the per-capita distribution and Business Food Waste Requirement

Passed

The City of Portland ordains:

Section 1. The Council finds:

1. Metro has notified the City of Portland's Bureau of Planning and Sustainability (BPS) that Metro will award BPS \$845,095 in FY 2023-24. The funding is intended to support Metro's work in per-capita distribution for \$686,165 and Business Food Waste Requirement for \$158,930.
2. The funding amount of \$733,834 was included in BPS's FY 2023-24 Adopted Budget.
3. Metro funds continue to support mutual regional and citywide goals for improved efforts in waste reduction, recycling, and composting programs.
4. No City match is required.

NOW, THEREFORE, the Council directs:

- A. The Mayor is hereby authorized to accept on behalf of the City of Portland funding from Metro in the amount of \$845,095 and to execute an intergovernmental agreement with Metro, substantially similar to Exhibit A.
- B. The Office of Management and Finance's Grants Office is authorized to perform all administrative matters related to the grant application, grant agreement or amendments, requests for reimbursement from the grantor, and to submit required online grant documents on the Mayor's behalf.
- C. The BPS Director is authorized to execute any subsequent modifications to this intergovernmental agreement, provided such modifications do not increase the City of Portland's financial obligation or risk. Any modifications that increase the City's financial obligation or risk must be authorized by the City Council.

Impact Statement

Purpose of Proposed Legislation and Background Information

- Metro has provided funding to operate the Waste Reduction Program since 1990.
- BPS uses the Per-capita funds to support overall implementation of the required 2030 Waste Plan activities, general education, state law and cooperatively implemented priorities of regional concern.
- BPS uses the Business Food Waste Requirement funds to support outreach and technical assistance to Portland businesses to promote waste prevention ensure compliance with the composting requirement.
- These programs and services are critical to meeting goals set in the 2022-25 Climate Emergency Workplan and Metro's 2030 Regional Waste Plan.
- There has been no previous Council action directly related to this ordinance.
- This ordinance does support specific City waste policies.

Financial and Budgetary Impacts

- No City match is required for these funds.
- One two-year limited term position will be created as a result of this legislation.
- No positions will be eliminated or re-classified as a result of this legislation.
- The funding amount of \$733,834 was included in the FY 2023-24 Adopted Budget for BPS.
- Additional budget appropriation in the funding amount of \$111,261 from \$733,834 (adopted budget amount) to \$845,095 (actual awarded amount).

Community Impacts and Community Involvement

- The public was involved in the development of Metro’s budget, Metro’s 2030 Regional Waste Plan as well as the 2022-2025 Climate Emergency Workplan.
- Each of the plans involved public engagement efforts such as community meetings and gathering public comment through surveys and forms.
