Re: Tort Claim Notice for Robbie Davis as personal representative for Donté Davis

To Whom It May Concern:

This letter is intended to serve as the appropriate Tort Claim Notice pursuant to ORS 30.275.

My investigation is ongoing; however, it appears that on or about November 4, 2022, Donté Davis was murdered in Portland, Oregon. Mr. Davis was shot on or around November 1, 2022.

There is sufficient information and belief to allege that the City of Portland was negligent in their care of Mr. Davis by, including without limitation, failing to render appropriate aid and failing to timely transport him to a hospital or arrange for his transport to a hospital, which caused injury to him and which contributed to or resulted in his death.

Please take notice that Ms. Davis reserves the right to proceed against the City of Portland, and agents/employees of the City of Portland; for violations of her and Mr. Davis' State and Federal Constitutional Rights, all actions available at common law and the applicable statutory violations, including without limitation negligence and intentional infliction of emotional distress. Ms. Davis further gives notice of her intent to seek monetary and injunctive relief including but not exclusive to: non-economic damages, medical expense, emotional distress, economic damages, attorney fees and punitive damages. This notice is not intended to be exhaustive of all of Ms. Davis's claims and events giving rise to claims that may be asserted or discovered by Ms. Davis.

Respectfully,  
Robbie Davis
